4.3 India's Unemployment Rate

India's unemployment rate increased dramatically from 7.0 per cent in May 2024 to 9.2 per cent in June 2024. Both rural and urban areas of India saw increases in the unemployment rate. The rural unemployment rate increased from 6.3 per cent in May 2024 to 9.3 per cent in June 2024. The percentage of unemployed people in cities increased from 8.6 per cent to 8.9 per cent.

Along with a rise in the labour participation rate (LPR) and a decline in the employment rate in June 2024, the unemployment rate also increased. In June 2024, LPR in India increased to 41.4 per cent from 40.8 per cent the month before. From 38.0 percent to 37.6 percent in June 2024, the employment rate—the percentage of people in the working-age population who are employed—fell.¹¹

4.4 India's Export/Import

In July 2024, India's export performance showcased a total of USD 62.4 billion, which represents a modest growth of 2.8 per cent compared to the USD 60.7 billion recorded in July 2023. A significant contributor to this increase was the rise in services exports, which reached around USD 28.4 billion, up from USD 26.2 billion the previous year, marking a notable growth of 8.5 per cent. On the import front, India's estimated total imports for July 2024 stood at USD 72.0 billion, indicating a rise of 7.1 per cent from USD 67.2 billion in the same month the prior year. The value of merchandise imports was about USD 57.5 billion, up from USD 53.5 billion in July 2023. This resulted in a trade deficit of USD 9.6 billion for July 2024, a widening from USD 6.5 billion recorded in July 2023.

V. VALUATION APPROACH AND METHODOLOGY

5.1 Valuation Approaches

Valuation of a business is not an exact science and ultimately depends upon what it is worth to a serious investor or buyer who may be prepared to pay a substantial goodwill. This exercise may be carried out using various methodologies, the relative emphasis of each often varying with:

- whether the entity is listed on a stock exchange
- industry to which the Company belongs
- past track record of the business and the ease with which the growth rate in cash flows to perpetuity can be estimated
- Extent to which industry and comparable company information is available.

The results of this exercise could vary significantly depending upon the basis used, the specific circumstances and professional judgment of the valuer. In respect of going concerns, certain valuation techniques have evolved over time and are commonly in vogue. These approaches can be broadly categorized as follows:

1. Asset Approach
2. Income Approach
3. Market Approach

<This space is intentionally left blank>

684

5.1.1 Asset Approach

This method determines the worth of a business by the assets it possesses. It involves examining every asset held by the company, both tangible and intangible. The value of intangibles is referred to as the company's goodwill, the difference in value between the company's hard assets and its true value.

The value arrived at under this approach is based on the financial statements of the business and may be defined as Shareholders' Funds or Net Assets owned by the business. The Net Asset Value is generally used as the minimum break-up value for the transaction since this methodology ignores the future return the assets can produce and is calculated using historical accounting data that does not reflect how much the business is worth to someone who may buy it as a going concern. Pursuant to accounting convention, most assets are reported on the books of the subject company at their acquisition value, net of depreciation where applicable. These values must be adjusted to fair market value wherever possible. Further, the balance sheet values are to be adjusted for any contingent liabilities that are likely to materialize.

Intrinsic value is at the core of fundamental analysis since it is used in an attempt to calculate the value of the total assets of the business and then compare it with the fair value.

5.1.2 Income Approach

The income approaches determine fair market value by dividing the benefit stream generated by the subject or target company by a discount or capitalization rate. The discount or capitalization rate converts the stream of benefits into present value. There are several different income approaches, including Capitalization of Earnings or cash flows, Discounted Future Cash Flows ("DCF"), and the Excess Earnings Method (which is a hybrid of asset and income approach of benefit stream to which it is applied). The result of a value calculation under the income approach is generally the fair market value of a controlling, marketable interest in the subject company, since the entire benefit stream of the subject company is most often valued, and the capitalization and discount rates are derived from statistics concerning public companies.

5.1.3 Market Approach

The value of a business is determined by comparing the company's accounting ratios with another company of the same nature and size. This approach is used, where the value of a stock is estimated based upon its current price relative to variables considered to be significant to valuation, such as earnings, cash flow, book value, or sales of various business of the same nature. Business appraisal includes comparative transaction method and publicly traded company method. Through this, it derives a relationship between performance, revenues and selling price.

5.2 Valuation Methodology used in LPL

Considering the nature and size of the business and keeping in view the necessary regulatory guidelines, in the current analysis, the discounted cash flow method has been used to determine the fair value of equity shares of the Company.

5.2.1 Discounted Cash Flow Method

The discounted cash flow (DCF) method is based on the following assumptions:

- A business is worth today what it can generate in future cash to its owners;
- Cash received today is worth more than an equal amount of cash received in the future; and
- Future cash flows can be reasonably estimated.
- Forecasts provided does not exhibit any control synergies

The DCF analysis is comprised of the sum of the present value of two components; projected cash flows and a residual or terminal value.

Cash flows are estimated for a future period based on projections provided by the Management. These cash flows are then discounted back to their present value equivalents at a calculated discount rate or Weighted Average Cost of Capital ("WACC") and summed. A residual value based on an exit or steady state terminal multiple, which represents the future cash flows of the Company beyond the discrete projection period, is then discounted to its present value and added to the initial amount. In applying the DCF analysis it is essential that the cash flows to be discounted are clearly defined and that a discount rate appropriate for the degree of risk inherent in that return stream is established.

Free Cash Flows

The projected cash flows of LPL has been provided for future years from the Valuation Date, by the Management, which has considered for the analysis. These include projected income statement, projected working capital and projected capital expenditure. Valuer has relied on the projections provided by the Management, and has not carried out any separate analysis for accuracy of same. Accordingly, the projected free cash flows to firm ("FCFF") have been arrived for the purpose of valuation. Refer *Exhibits 1B, 1F & 1H* for details.

Terminal Value

The terminal value refers to the present value of the business as a going concern beyond the period of projections up to infinity. This value is estimated by considering expected growth rates of the equity in future, sustainable capital investments required for the business as well as the estimated growth rate of the industry and economy. Based on the dynamics of the sector and discussions with the Management, Valuer has assumed the terminal growth rate of 5.0 per cent for LPL beyond the projection period. Refer *Workpaper 1B* for details.

686

Discount Factor

The Discount Factor considered for arriving at the present value of the residual income cash-flows of the Company is the Weighted Average Cost of Capital (WACC). The cost of equity is computed using the Capital Asset Pricing Model (CAPM) using the formula shown below:

$$K_e = r_f + \beta * ERP + CSR_P$$

$$WACC = K_d * (1 - Tax) * D / (D + E) + K_e * E / (D + E)$$

Where,

- K_e = Cost of Equity,
- r_f = Risk Free Return
- β = mature Market Beta, a measure of Market Risk
- ERP = Equity Risk Premium
- CSR_P = Company Specific Risk Premium
- K_d = Cost of Debt
- E = Shareholders Equity
- D = Total Debt

Company Specific Risk Premium (CSR_P) is the additional risk associated with the Company pertaining to its financial requirements, marketability, forecast achievability and other specific operational risks. Considering aforementioned facts, 3.0 per cent risk premium has been considered.

Discount rate as of the Valuation Date is calculated in **Exhibit 1C**.

687

5.3 Valuation Methodology Used in LSH

Considering the nature and size of the business and keeping in view the necessary regulatory guidelines, in the current analysis, the discounted cash flow method has been used to determine the fair value of equity shares of the Company.

5.3.1 Discounted Cash Flow Method

The discounted cash flow (DCF) method is based on the following assumptions:

- A business is worth today what it can generate in future cash to its owners;
- Cash received today is worth more than an equal amount of cash received in the future; and
- Future cash flows can be reasonably estimated.

The DCF analysis is comprised of the sum of the present value of two components; projected cash flows and a residual or terminal value.

Cash flows are estimated for a future period based on projections provided by Management. These cash flows are then discounted back to their present value equivalents at a calculated discount rate or Weighted Average Cost of Capital ("WACC") and summed. A residual value based on an exit or steady state terminal multiple, which represents the future cash flows of the Company beyond the discrete projection period, is then discounted to its present value and added to the initial amount. In applying the DCF analysis it is essential that the cash flows to be discounted are clearly defined and that a discount rate appropriate for the degree of risk inherent in that return stream is established.

Free Cash Flows

The projected cash flows of LSH have been provided for future years from the Valuation Date, by the management, which has been considered for the analysis. These include projected income statement, projected working capital and projected capital expenditure. Valuer has relied on the projections provided by the management and has not carried out any separate analysis for accuracy of same. Accordingly, the projected free cash flows to firm ("FCFF") have been arrived at for the purpose of valuation. Refer ***Exhibits 2B, 2F & 2H***.

Terminal Value

The terminal value refers to the present value of the business as a going concern beyond the period of projections up to infinity. This value is estimated by taking into account expected growth rates of the equity in future, sustainable capital investments required for the business as well as the estimated growth rate of the industry and economy. Based on the dynamics of the sector and discussions with the Management, Valuer has assumed the terminal growth rate of 5.0 per cent for LSH beyond the projection period. Refer ***Workpaper 2B*** for details.

688

VC Cost of Capital

The cost of capital is calculated based on venture capital rates of return for the Second Stage or "Expansion". A venture capital rate of return of 35%-50% is consistent with required returns identified in the US AICPA Accounting and Valuation Guide for companies at a similar stage. Further, per James L. Plummer in his "Venture Capital Financial Analysis"¹³ and Daniel R. Scherlis and William A. Sahlman in their "A Method for Valuing High-Risk, Long Term, Investments: The Venture Capital Method,"¹⁴ Expansion-stage investments are made in enterprises that have developed prototypes that appear viable and for which further technical risk is deemed minimal, although commercial risk may be significant. See ***Exhibit 2C*** for the details

VI. VALUATION FRAMEWORK & OPINION

6.1 Valuation Framework

This study is undertaken to compute the fair value of equity shares of the Companies and recommending fair exchange ratio in connection with the proposed amalgamation of the entire business and undertaking of LPL with LSH.

The broad framework used in arriving at fair value of equity shares is as follows:

1. **Determine the enterprise value of the Companies** by using Discounted Cash flow method. Please refer **Exhibit 1B and 2B** for the detailed analysis.
2. **Determine the Equity value of the Companies** by providing adjustments for Cash and Cash equivalents, debt outstanding and fair value of investments as of the Valuation Date to the Enterprise Value determined above.
3. **Determine amount distributable to equity holders (including options)** by adding cash proceeds from options granted to equity value as determined in **Step-2** above.
4. **Determine the per share value** by dividing the number of outstanding common equity shares on a fully diluted basis for the respective Companies from the concluded fair value of equity of the respective Companies as determined **Step-3** above to arrive at per share value of common equity shares outstanding on a fully diluted basis. Please refer **Exhibit 1A and 2A**.
5. **Determine the share exchange ratio** by using per share value of each Company as determined in **Step-4** above. Please refer **Swap Ratio Determination** for detailed analysis.

6.2 Valuation Opinion

The share exchange ratio has been estimated based on the relative valuation of both Companies, based on methodology applied for their valuation as described in this report and qualitative factors relevant to companies, industry and business outlook, and the key underlying assumptions, etc.

Based on the valuation analysis of the businesses of Companies, in my assessment, the equity swap ratio for the purpose of amalgamation as of August 31st, 2024 is below:

VIII. CONDITIONS AND LIMITATIONS

8.1 Valuation Framework

The report is prepared solely for the purpose stated in the Engagement Letter and should not be used for any other purpose. Except as specifically stated in the report, the report and its contents may not be quoted or referred to, in whole or in part, in any registration statement, prospectus, public filing, loan agreement, or other agreement or document without the prior written approval of Registered Valuer. Except as set forth in this report, the report is prepared for Client use only and may not be reproduced or distributed to any third parties without Registered Valuer's prior written consent.

8.2 Scope of Analysis

The appraisal of any financial instrument or business is a matter of informed judgment. The accompanying appraisal has been prepared on the basis of information and assumptions set forth in the attached report, its appendices, underlying work papers, and these limiting conditions and assumptions.

8.3 Nature of Opinion

Neither the opinion nor the report provided or prepared by Registered Valuer are to be construed as a fairness opinion as to the fairness of an actual or proposed transaction, a solvency opinion, or an investment recommendation, but, instead, are the expression of Registered Valuer's determination of the fair value of assets between a hypothetical willing buyer and a hypothetical willing seller in an assumed transaction on an assumed Valuation Date. For various reasons, the price at which the assets might be sold in a specific transaction between specific parties on a specific date might be significantly different from the fair market value as expressed in the report.

8.4 Basis of analysis and Assumptions considered

Registered Valuer's analysis:

- a) is based on the present financial condition and significant future business plans of the Client and its assets as of the Valuation Date;
- b) assumes that as of the Valuation Date the Client and its assets will continue to operate as configured as a going concern;
- c) assumes that the current level of Management expertise and effectiveness would continue to be maintained and that the character and integrity of the enterprise through any sale, reorganization, exchange, or diminution of the owners' participation would not be materially or significantly changed; and
- d) assumes that the Company had no undisclosed real or contingent assets or liabilities, no unusual obligations or substantial commitments, other than in the ordinary course of business,

693

nor had any litigation pending or threatened that would have a material effect on the analysis other than those considered for valuation calculation.

- e) is based on various representations given by the Management in relation to the fair value of certain assets & liabilities and future business plans.

8.5 Lack of Verification of Information Provided

With the exception of any audited financial statements, Valuer has relied on information supplied by the Client without audit or verification. Valuer has assumed that all information furnished is complete, accurate and reflects Client's management's good faith efforts to describe the status and prospects of the Client at the Valuation Date from an operating and a financial point of view. As part of this engagement, Valuer has relied upon publicly available data from recognized sources of financial, industry, or statistical information, which have not been verified. Moreover, Valuer has very limited information available in respect of fair value the non-marketable investments, hence relied on the book value of the assets. Book Value of assets may or may not be an indicator of fair value.

8.6 Subsequent Events

The terms of engagement are such that Valuer has no obligation to update this report or to revise the valuation because of events and transactions occurring subsequent to the date of the valuation unless Valuer are engaged to provide valuations in the future.

8.7 Legal Matters

Valuer assumes no responsibility for legal matters including interpretations of either the law or contracts. Valuer has not made any investigation of legal title and has assumed that all owners' claims to property are valid. Valuer has given no consideration to liens or encumbrances except as specifically stated in financial statements provided by Management. Valuer has assumed that all required licenses, permits, etc. are in full force and effect. Valuer assumes that all applicable federal, state, local zoning, environmental and similar laws and regulations have and continue to be complied with by Client. Valuer assumes no responsibility for the acceptability of the valuation approaches used in report as legal evidence in any particular court or jurisdiction. The suitability of report and opinion for any legal forum is a matter for Client and Client's legal advisor to determine.

8.8 Testimony

Registered Valuer and his team, consultants and agents shall not provide any testimony or appear in any legal proceeding unless Valuer coordinates such testimony.

<This space is intentionally left blank>

694

8.9 Other Limitations

- Registered Valuer has independent of the shareholders, directors and Management of the company and do not have any financial association with the shareholders, directors and Management of the company other than receipt of fees in connection with the professional services provided.
- The report is based on the financial projections provided to us by the Management of the Company and thus the responsibility for forecasts and the assumptions on which they are based is solely that of the Management of the Company and Valuer do not provide any confirmation or assurance on the achievability of these projections. It must be emphasized that profit forecasts necessarily depend upon subjective judgement.
- The valuation worksheets prepared for the exercise are proprietary to Valuer and cannot be shared. Any clarifications on the workings will be provided on request, prior to finalizing the Report, as per the terms of our engagement.
- I acknowledge that I have no present or contemplated financial interest in the Company. My fees for this valuation are based upon normal billing rates, and not contingent upon the results or the value of the business or in any other manner. I have no responsibility to modify this report for events and circumstances occurring subsequent to the date of this report.
- The figures presented in the body of report may have been calculated using electronic spreadsheets which calculate figures up to a precision of several decimal points. While rounded figures are carried to the body of the report at each stage, the higher precision unrounded numbers continue to be used in the computations. Any minor difference in figures observed on manual calculation of figures within the body of the report could be attributable to such rounding off.
- I have not attempted to confirm whether or not all assets of the business are free and clear of liens and encumbrances, or that the owner has good title to all the assets.
- I have been informed by Management that there are no environmental or toxic contamination problems, any significant lawsuits, or any other undisclosed contingent liabilities which may potentially affect the business, except as may be disclosed elsewhere in this report. I have assumed that no costs or expenses will be incurred in connection with such liabilities, except as explicitly stated in this report.

695

- The report and conclusion of value are not intended by the valuer and should not be construed by the reader to be investment advice in any manner whatsoever. The conclusion of value represents the considered opinion, based on information furnished to them by the client and other sources. Valuer does not express any opinion on the suitability or otherwise of entering into any transaction with the Company.
- Registered Valuer has made no investigation of title to property, and assume that the owner's claim to the property is valid. ANALYSIS AND FINDINGS

4. Since, this is the First Motion Company Application seeking order for dispensation/ convening of the meetings of Equity Shareholders, Preference Shareholders Secured Creditors and Unsecured Creditors of the Applicant Companies, the analysis has been restricted to that and other issues would be analysed at the time of the Second Motion Company Petition of the Applicant Companies.

5. Since the registered office have been shifted in the recent past to the State of Haryana in respect of both the Applicant Companies from the State of Delhi, we consider it appropriate that the notices of the meeting needs to be served to the statutory authorities having the jurisdiction, where registered office of the Applicant Companies were situated prior to the shifting in the State of Haryana and notice of hearing may be published in the newspapers having wide circulation in the State, where registered office of the Applicant Companies were situated prior to the shifting in the State of Haryana.

6. On reconciliation of liability side of the balance sheet with the lists of Equity

Shareholders, Preference Shareholders, Secured Creditors and Unsecured Creditors, we have observed the following:

- (i) As per the unaudited provisional financial statements as on 31.08.2024 of the Transferor Company, the preference share capital is Rs.31.90 lakh comprising of 318957 0.001% Compulsorily Convertible Non-Cumulative Preference Shares of Rs.10 each, however, the same as per the list of preference shares works out to Rs.41.51 lakh as shown below:

Preference Shares			
Promoter Preference Shares	Nos.	Face Value (Rs.)	Rs. Lakh
RM Investment Trust	80,721	10	8.07
NK investment Trust	15,433	10	1.54
	96,154		9.62
Promoter Preference Shares			
M&G Catalyst Capital I Fund	3,18,957	10	31.90
Total Preference Shares	4,15,111		41.51

- (ii) The name of the Equity Shareholders as on 31.03.2024 (rather than as on 31.08.2024) have been shown in the unaudited provisional financial statement as on 31.08.2024 as reproduced below:

(ii) Shareholder holding more than 5% shares in the company:				
	As at 31st Mar, 2024		As at 31st Mar, 2022	
Name of Shareholder	Number of shares held	% holding in that class of shares	Number of shares held	Number of shares held
Equity shares with voting rights				
Lakshya Holding Pte. Ltd*	75,706	62.29%	75,706	68.97%
Navneet Kapoor and Nidhi Kapoor(as Trustees of NK Investment Trust)	14,997	12.34%	14,473	13.19%
Livpure Pvt Ltd	8,271	6.80%	8,271	7.54%
Jupiter Sales Pvt Ltd	-	0.00%	7,345.00	6.69%
Navodhyam Trust	6,150	5.06%		
* Lakshya Holding PTE Ltd. is a foreign company and holding 68.97%(Previous year 76.78%) equity shares in this company.				

Even if, we consider the above as typographical/ clerical mistake and consider it as on 31.08.2024, the name of the Equity Shareholders of the Transferee Company do not match with the list of Equity Shareholders, as the NT Trust holding 2,068 Equity Shares do not reflect in the list of Equity Shareholders.

- (iii) Total of the Note No.5 in the audited financial statement as on 31.08.2024 of the Transferee Company do not match and instead of Rs.2517.92 lakh, the same works out to Rs.2523.35 lakh as shown in the table below:

Long-Term Borrowings	Rs. Lakh
Northern Arc	314.29
UGRO Capital	339.10
Federal Bank	1,380.90
RBL Bank	483.24
Car Loan	5.82
	2,523.35

- (iv) Further, various liabilities as appearing in the balance sheet as on 31.08.2024 of the Transferor Company and Transferee Company, which needs to be included (even part of the Trade Payables have not been included), have not been included in the list of Secured/ Unsecured Creditors. In this regard, we note that the **National Company Law Appellate Tribunal, Principal Bench, New Delhi** in the matter of **The Indian Performing Right Society Ltd. vs. Novi Digital Entertainment Private Limited & Ors., Company Appeal (AT) No. 59 of 2024** has observed that the word 'Creditor', is not limited to one whom a 'Debt', is due on the 'date of Petition' and who can 'demand an immediate payment'. Even a person, having 'pecuniary Claim', against the 'Company', whether, 'Actual or Contingent', is a 'Creditor'.

7. In view of the above discrepancies, the lists of Preference Shareholders in respect of Transferor Company and Equity Shareholders in respect of Transferee Company and the list of Secured and Unsecured Creditors of both Transferor and Transferor Companies cannot be relied upon for dispensation of their meetings. Therefore, we consider it appropriate to convene their meetings as per their list as on 31.12.2024 duly reconciled with the audited financial statements as on 31.12.2024, both duly certified by the statutory auditors of the respective Applicant Companies.

INDEPENDENT AUDITOR'S REPORT**To the Members of Livpure Private Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of Livpure Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2024, and the statement of Profit and Loss and cash flow statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information obtained at the date of this auditor's report comprises the director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

S.N. Dhawan & CO LLP is registered with limited liability with identification number AAH-1125 and its registered office is 108, Mercantile House, 15 Kasturba Gandhi Marg New Delhi 110001, India

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The comparative financial information of the Company as at and for the year ended March 31 2023 included in the standalone financial statements have been audited by the predecessor auditor, who expressed an unmodified opinion on the standalone financial statement vide their report dated 26 September 2023.

Our opinion is not modified in respect of above matter.

Annexure B to the Independent Auditor's Report**Independent Auditor's report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Livpure Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2)

216

Annexure B to the Independent Auditor's Report

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31 2024, based on internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

2. Basis of preparation**a. Basis of accounting and preparation of financial statements**

The financial statements have been prepared under historical cost convention on an accrual basis, in accordance with the Accounting Standards specified under section 133 of the Companies Act, 2013 ('Act'), read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. These financial statements have been prepared on a going concern basis and the accounting policies have been consistently applied by the Company. The financial statements are presented in Indian Rupees. All amounts have been rounded to the nearest lakhs up to two decimal places, unless otherwise stated.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current, non-current classification of assets and liabilities.

The accounting policies adopted in the preparation of these financial statements are consistent with those applied in previous year.

b. Current/non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

and are capable of reversal in one or more subsequent period(s). Such deferred tax is quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. However, deferred tax arising from brought forward losses and un-absorbed depreciation are recognised only when there is virtual certainty supported by convincing evidence that such assets will be realised.

f) Foreign currency transactions

The cost recognised at any date at least equals the intrinsic value of the vested portion of the option at that date. Adjustment, if any, for difference in initial estimate for number of options that are expected to ultimately vest and related actual experience is recognised in the Statement of Profit and Loss of that period. j) Contingent liabilities, provisions and assets

Contingent liabilities and provisions

The Company makes a provision when there is a present obligation as a result of a past event, where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a contingent liability when there is a:

- possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Company;
- present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- present obligation, where a reliable estimate cannot be made.

Contingent Assets

Contingent assets are not recognised in financial statements.

k) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term bank deposits with an original maturity of three months or less.

l) Earnings per share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of dilutive potential equity shares except for anti-dilutive potential equity shares.

32 Capital and other commitments		
Contracts remaining to be executed on capital account	74.64	141.13
33 Contingent liabilities		
(i) The Company has an on-going indirect tax case in respect of certain demands raised by the Commissioner of Central Excise for levy and payment of excise duty on water purifiers manufactured by the Company at its unit in Gagret himachal pradesh and Manesar. The Company had filed an appeal before Central Excise and Service Tax Appellant Tribunal (CESTAT). During the financial year 2017-2018, based on legal advice, the Company recognised liability of payment of excise duty amounting to Rs. 3,858.28 lakhs computed since the inception of the Company till 30 June 2017 and correspondingly, availed cenvat credit amounting to Rs. 4,124.22 lakhs for the said period. The management, based on legal advice obtained from external legal counsel believes that outcome of the case would not result in any material liability on the Company. Further, Rs. 185.68 lakhs have been deposited with CESTAT as amount paid under protest.		
(ii) The Company has filed an appeal against the order of the Additional Commissioner of Customs, ICD Patparganj & other ICDs, Patparganj, New Delhi, concerning the classification and applicable IGST rate for Booster Water Pumps imported during the period from July 2017 to August 2018. Initially, During the above period, the Company classified the goods under a specific tariff item and paid IGST at a lower rate. Upon further review, the Company identified that a higher IGST rate was applicable and accordingly adjusted its practices. The Company proactively, suo-moto deposited the differential IGST of Rs.86.38 Lakhs along with the associated interest of Rs.15.28 Lakhs and penalty of Rs.12.96 Lakhs. However, the Additional Commissioner, in his order, confirmed an additional penalty of Rs.86.38 Lakhs (over and above penalty paid of Rs.12.96Lakhs) which is equal to the differential IGST amount / to make total penalty as equal to the differential IGST amount, citing alleged willful misclassification with the intent to evade taxes. Additionally, penalties of Rs. 3.30 Lakhs were also proposed against certain directors of the Company The Company, after consulting with its external legal counsel, believes that the appeal has strong merits, and the outcome is not expected to result in any material liability on the Company. As the matter is sub judice, the potential financial impact, if any, has been disclosed as a contingent liability.		
(iii) The Department of Trade and Taxes, Government of NCT of Delhi, has issued notices under Section 9(2) of the Central Sales Tax Act, covering the financial years from 2013-14 to 2017-18. These notices demand an aggregate amount of Rs. 142.88 lakh due to the non-submission of statutory forms "F" and "C" for the respective periods. In response, the Company has filed objections under the Delhi Value Added Tax Act, 2004, stating that it was not provided with a reasonable opportunity to submit these forms earlier. The Company has asserted that it now possesses the majority of the required "F" and "C" forms and intends to submit them to the authorities, thereby potentially nullifying the demand. The management, based on this position, is confident that the resolution of this matter will not result in any material financial liability for the Company, as the required forms are available and can be provided to the authorities.		
(iv) The Company has filed an appeal to Commissioner of Income Tax (Appeals), National Faceless Tribunal against the order of the Income Tax Department, which has raised a demand for Assessment Year 2017-18 of Rs. 1,889.19 lakh, including interest of Rs. 512.53 lakh. The assessment, made under Section 143(3) of the Income Tax Act, by an order dated March 5, 2021, resulted in an addition of Rs.7,489.06 lakh to the returned loss. The additions were primarily due to the disallowance of Rs. 3,185.65 lakh for advertisement and publicity expenses, which were treated as capital in nature, and Rs. 4,303.41 lakh under Section 56(2)(viib) for the excessive consideration received over the fair market value. The Company argues that the advertisement expenses should be treated as revenue expenditure and disputes the application of Section 56(2)(viib). The appeal is currently pending before the Commissioner of Income Tax (Appeals) at the National Faceless Appeal Centre. Based on similar cases and legal advice, the management is confident that the outcome will not result in any material financial liability for the Company.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

259

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annexure A to the Independent Auditor's Report**Independent Auditor's report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to financial statements of Livpure Private Limited (hereinafter referred to as the "Holding Company") and its subsidiaries, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiaries which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the respective company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

264

Annexure A to the Independent Auditor's Report

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter(s) paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Holding Company and its subsidiaries, as aforesaid.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries which are companies incorporated in India, have, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

265

Annexure A to the Independent Auditor's Report

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to the subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

- Sale of services

Service income is recognised on a pro rata basis over the period in which services are rendered.

- Lease income

Lease income is recognised in the statement of profit and loss on a straight-line basis over the term of the lease.

- Interest income

Interest income is recognised on a time proportion basis at the applicable rates.

d) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments.

Current investments are valued at the lower of cost and fair value. Long-term investments are stated at cost.

Provision is made for diminution in the value of long-term investments to recognise a decline, if any, other than temporary in nature.

Profit/loss on sale of investments are computed with reference to their cost determined on first in first out basis.

e) Taxation

Provision for tax comprises current income-tax and deferred tax. Current income-tax is computed on the taxable income of the year using tax rate applicable for the year. Deferred tax is recognised for the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one period, and are capable of reversal in one or more subsequent period(s). Such deferred tax is quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. However, deferred tax arising from brought forward losses and un-absorbed depreciation are recognised only when there is virtual certainty supported by convincing evidence that such assets will be realised.

f) Foreign currency transactions

Transactions in foreign currency are accounted for at the exchange rate prevailing on the date of the transaction. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All monetary items denominated in foreign currency are converted at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognized in the Statement of Profit and Loss.

Livpure^o**g) Impairment of assets**

The group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

h) Leases**Where the Group is lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Lease payments under an operating lease are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Where the Group is the lessor

Assets subject to operating leases are included in fixed assets. Lease income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

Provident fund

The holding Company makes contributions to statutory provident fund, where applicable, in accordance with the Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined contribution plan. The contribution paid or payable is recognised as an expense in the period in which the services are rendered by the employee. The Holding Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution.

Gratuity

Gratuity is a post-employment defined benefit plan. The liability recognised in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from experience, adjustments and changes in actuarial assumptions are recorded as expense or income in the Statement of Profit and Loss in the year in which such gains or losses arise.

Compensated absences

Employee stock option based compensation

The Holding Company follows the Guidance Note on Accounting for Share-based Payments for accounting of employee stock options. The cost is calculated based on the intrinsic value method i.e. the excess of market price of underlying equity shares as of the date of the grant of options over the exercise price of such options is regarded as employee compensation and in respect of the number of options that are expected to ultimately vest, such cost is recognised on a straight line basis over the period over which the employees would become unconditionally entitled to apply for the shares. The cost recognised at any date at least equals the intrinsic value of the vested portion of the option at that date. Adjustment, if any, for difference in initial estimate for number of options that are expected to ultimately vest and related actual experience is recognised in the Statement of Profit and Loss of that period. In respect of vested options that expire unexercised, the cost is reversed in the Statement of Profit and Loss of that period

j) Contingent liabilities, provisions and Contingent assets

Contingent liabilities, provisions

The group makes a provision when there is a present obligation as a result of a past event, where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a contingent liability when there is a:

- possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the group;
- present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- present obligation, where a reliable estimate cannot be made.

When there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provision for warranties on goods sold is made on the basis of technical estimates and customer claims. The provision is reviewed by the management on a yearly basis and accordingly adjustments for the short/excess provision are made.

Contingent assets

Contingent assets are not recognised in financial statements.

The Holding Company has an on-going indirect tax case in respect of certain demands raised by the Commissioner of Central Excise for levy and payment of excise duty on water purifiers manufactured by the Holding Company at its unit in Gagret Himachal Pradesh and Manesar. The Holding Company had filed an appeal before Central Excise and Service Tax Appellant Tribunal (CESTAT). During the financial year 2017-2018, based on legal advice, the Company recognised liability of payment of excise duty amounting to Rs. 3,858.28 lakhs computed since the inception of the Company till 30 June 2017 and correspondingly, availed cenvat credit amounting to Rs. 4,124.22 lakhs for the said period. The management, based on legal advice obtained from external legal counsel believes that outcome of the case would not result in any material liability on the Holding Company. Further, Rs. 185.68 lakhs have been deposited with CESTAT as amount paid under protest.

(ii)

The Holding Company has filed an appeal against the order of the Additional Commissioner of Customs, ICD Patparganj & other ICDs, Patparganj, New Delhi, concerning the classification and applicable IGST rate for Booster Water Pumps imported during the period from July 2017 to August 2018.

Initially, During the above period, the Holding Company classified the goods under a specific tariff item and paid IGST at a lower rate. Upon further review, the Holding Company identified that a higher IGST rate was applicable and accordingly adjusted its practices. The Holding Company proactively, suo-moto deposited the differential IGST of Rs.86.38 Lakhs along with the associated interest of Rs.15.28 Lakhs and penalty of Rs.12.96 Lakhs. However, the Additional Commissioner, in his order, confirmed an additional penalty of Rs.86.38 Lakhs (over and above penalty paid of Rs.12.96Lakhs) which is equal to the differential IGST amount / to make total penalty as equal to the differential IGST amount, citing alleged willful misclassification with the intent to evade taxes. Additionally, penalties of Rs. 3.30 Lakhs were also proposed against certain directors of the Holding Company

The Holding Company, after consulting with its external legal counsel, believes that the appeal has strong merits, and the outcome is not expected to result in any material liability on the Company. As the matter is sub judice, the potential financial impact, if any, has been disclosed as a contingent liability.

(iii)

The Department of Trade and Taxes, Government of NCT of Delhi, has issued notices under Section 9(2) of the Central Sales Tax Act, covering the financial years from 2013-14 to 2017-18. These notices demand an aggregate amount of ₹142.88 lakh due to the non-submission of statutory forms "F" and "C" for the respective periods.

In response, the Holding Company has filed objections under the Delhi Value Added Tax Act, 2004, stating that it was not provided with a reasonable opportunity to submit these forms earlier. The Company has asserted that it now possesses the majority of the required "F" and "C" forms and intends to submit them to the authorities, thereby potentially nullifying the demand.

The management, based on this position, is confident that the resolution of this matter will not result in any material financial liability for the Company, as the required forms are available and can be provided to the authorities.

(iv)

The Holding Company has filed an appeal against the order of the Income Tax Department, which has raised a demand for Assessment Year 2017-18 of ₹1,889.19 lakh, including interest of ₹512.53 lakh. The assessment, made under Section 143(3) of the Income Tax Act, by an order dated March 5, 2021, resulted in an addition of ₹7,489.06 lakh to the returned loss. The additions were primarily due to the disallowance of ₹3,185.65 lakh for advertisement and publicity expenses, which were treated as capital in nature, and ₹4,303.41 lakh under Section 56(2)(viib) for the excessive consideration received over the fair market value.

The Company argues that the advertisement expenses should be treated as revenue expenditure and disputes the application of Section 56(2)(viib). The appeal is currently pending before the Commissioner of Income Tax (Appeals) at the National Facelss Appeal Centre. Based on similar cases and legal advice, the management is confident that the outcome will not result in any material financial liability for the Company.

Opinion

We have audited the accompanying Special Purpose Condensed Standalone Financial Statements of **Livpure Private Limited** ("the Company"), which comprise the Special Purpose Condensed Standalone Balance Sheet as at 31 December 2024, the Special Purpose Condensed Standalone Statement of Profit and Loss, and the Special Purpose Condensed Standalone Cash Flows Statement for the period 1 April 2024 to 31 December 2024, including select explanatory information (collectively known as "Special Purpose Condensed Standalone Financial Statements"). These Special Purpose Condensed Standalone Financial Statements have been prepared for the purpose described in note 3 of these Special Purpose Condensed Standalone Financial Statements, which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Condensed Standalone Financial Statements have been prepared, in all material respects and give a true and fair view in accordance with the basis of preparation set out in note 2 of the accompanying Special Purpose Condensed Standalone Financial Statements.

Basis for Opinion

We conducted our audit of Special Purpose Condensed Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Special Purpose Condensed Standalone Financial Statements' section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, together with the ethical requirements that are relevant to our audit of the Special Purpose Condensed Standalone Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Special Purpose Condensed Standalone Financial Statements.

Emphasis of Matters

1. We draw attention to Note 32 of the accompanying Special Purpose Condensed Standalone Financial Statements, which describes the matter of search operation carried out by the Income Tax Department at the Company's business premises and at the residential premises of the promoters and certain key employees.
2. We draw attention to Note 35 to the accompanying Special Purpose Condensed Standalone Financial Statements, which states that the comparative financial information for the period ended December 31, 2023, is unaudited. The said comparative financial information has been compiled by the management which has not been subjected to audit or review procedures. Accordingly, we do not express an opinion or any other form of assurance on the said comparative financial information.

Our opinion is not modified in respect of these matters.

Management's Responsibilities for the Special Purpose Condensed Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Special Purpose Standalone Condensed Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the basis stated in Note 2 to the Special Purpose Standalone Condensed Financial Statements for the purpose set out in said note.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Standalone Condensed Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Condensed Standalone Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate of the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Special Purpose Condensed Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Condensed Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Condensed Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Condensed Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparation of Special Purpose Condensed Standalone Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entities forming part of company's ability to continue as going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Condensed Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entities forming part of company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

423

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

424

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT

**To the Board of Directors of
Livpure Smart Homes Private Limited**

Report on Audit of Special Purpose Condensed Financial Statements

Opinion

We have audited the accompanying Special Purpose Condensed Financial Statements of **Livpure Smart Homes Private Limited** ("the Company"), which comprise the Special Purpose Condensed Balance Sheet as at December 31, 2024, the Special Purpose Condensed Statement of Profit and Loss, and the Special Purpose Condensed Cash Flows Statement for the period 1 April 2024 to 31 December 2024, including select explanatory information (collectively known as "Special Purpose Condensed Financial Statements"). These Special Purpose Condensed Financial Statements have been prepared for the purpose described in note 3 of these Special Purpose Condensed Financial Statements, which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Condensed Financial Statements have been prepared, in all material respects and give a true and fair view in accordance with the basis of preparation set out in note 2 of the accompanying Special Purpose Condensed Financial Statements.

Basis for Opinion

We conducted our audit of Special Purpose Condensed Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Special Purpose Condensed Financial Statements' section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, together with the ethical requirements that are relevant to our audit of the Special Purpose Condensed Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Special Purpose Condensed Financial Statements.

Emphasis of Matters

1. We draw attention to Note 30 of the accompanying Special Purpose Condensed Financial Statements, which describes the matter of search operation carried out by the Income Tax Department at the Company's business premises and at the residential premises of the promoters and certain key employees.
2. We draw attention to Note 32 to the accompanying Special Purpose Condensed Financial Statements, which states that the comparative financial information for the period ended December 31, 2023, is unaudited. The said comparative financial information has been compiled by the management which has not been subjected to audit or review procedures. Accordingly, we do not express an opinion or any other form of assurance on the said comparative financial information.

Our opinion is not modified in respect of these matters.

Other Matter

The comparative Special Purpose Condensed Financial Information of the Company as at and for the year ended March 31, 2024, included in these financial statements, was audited by the predecessor auditor, who have expressed an unmodified opinion vide it's audit report dated September 10, 2024.

Our opinion on the Special Purpose Condensed Financial Statement is not modified in respect of above matter on comparative financial information as at March 31, 2024.

Management's Responsibilities for the Special Purpose Condensed Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Special Purpose Condensed Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the basis stated in Note 2 to the Special Purpose Condensed Financial Statements for the purpose set out in said note.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Condensed Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Condensed Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters

related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Special Purpose Condensed Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Condensed Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Condensed Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Condensed Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparation of Special Purpose Condensed Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entities forming part of company's ability to continue as going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Condensed Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entities forming part of company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
