WATER PURIFIERS

About Livpure Smart

With over 1 million installations of water purifiers in the country, Livpure Smart is one of the most trusted brands of RO water purifiers in India. Livpure Smart aims to establish new benchmarks in water purification and offer world-class choices in modern potable water systems to the Indian consumer.

Our state-of-the-art manufacturing unit where we research, develop and refine water purification solutions. We maintain the highest standard of quality and hygiene to avoid any contamination. Each product is manufactured and assembled in a sterile environment and tested thoroughly at our quality control lab.
